

**Small, Medium, High Volume**  
 Ahner Industrial works with customers to meet production requirements for volumes of any size. From small formed parts to large tanks and weldments, Ahner Industrial has the equipment and experience to handle the job.

**Industries Served**  
 Ahner Industrial is proud to have the versatility to serve customers in many different industries including manufacturers of conveyors and material handling equipment, industrial ovens, food processing equipment, air handling products, industrial machinery, waste water & filtration equipment, and more.

**Services Offered**  
 Ahner Industrial offers fabrication services including laser cutting, plasma cutting, metal forming, welding, metal finishing, and installation.

**Specialty Work**  
 Ahner Industrial fabricates customer designed parts to specification such as tubular fabrications, hand railing, catwalks, carts, racks, hoppers, chutes, guards, bins, ductwork, enclosures, cabinets, process tanks, industrial ovens, panels, prototype work, and more.

# Capabilities

## Laser Cutting

4.5 Kw Mitsubishi Laser Machine  
Steel Capacity: 1 in x 60 in x 120 in  
Stainless Steel Capacity: 3/4 in x 60 in x 120 in

## Plasma Cutting

MG CNC 200 amp High Definition Plasma Machine  
Plasma Capacity: 1 in x 96 in x 218 in  
Oxy-fuel Capacity: 4 in x 96 in x 218 in

## Sheet & Plate Shearing

1/4 in x 10 ft Cincinnati Shear  
1/2 in x 10 ft Cincinnati Plate Shear

## Sheet & Plate Forming

130 ton x 10 ft Trumpf CNC Press Brake  
135 ton x 12 ft Cincinnati Press Brake  
350 ton x 16 ft Cincinnati Press Brake  
Sheet & Plate Rolling through 3/8 in x 72 in wide

## Angle, Pipe, Tube, & Bar Rolling

Capacity: 5 in x 5 in x 1/2 in Leg Out, 4 in x 4 in  
x 1/2 in Leg In

## Sawing & Punching

Hem Vertical Band Saw  
Kasto Precision Cold Saw, 0.015 in Legnth Accuracy  
Capacity: 18 in x 22 in height at 90 degrees,  
18 in x 14 in height at 45 degrees  
50 ton WAW Single Station CNC Punch,  
Capacity: 1/2 in x 48 in x 120 in

## Welding

Stainless, Aluminum, Steel Welding using GMAW,  
GTAW, SMAW, Spot, & Portable  
In-house Certified Welding Inspector

## Metal Finishing

Sandblasting from 12 ft wide x 50 ft long x 14 ft  
high booth  
Painting from 27 ft wide x 27 ft long x 14 ft  
high booth  
Assembly Work

## Installation Services

Experienced crew of fabrication installation  
personel

Ahner Industrial is housed in a 45,000 square foot building, with two 5 ton overhead cranes and over 23 foot under-hook height.

**AHNER**  
**INDUSTRIAL**  
INDUSTRIAL SHEET METAL & FABRICATING

## Our Advantages

Ahner Industrial is a precision job shop with the capabilities of fabricating light gauge sheet metal to heavy structural components in carbon steel, stainless steel, and aluminum.

Ahner Industrial offers state of the art fabricating equipment, professional workmanship, and quality finished products.
